Our club is a great place to host social events, business lunches, weddings, wedding receptions, pool parties (summer only) and supper clubs of any size. Over the past few months many Members have decided to use our facilities for these events. Chef Juan has a great menu selection prepared for these types of parties. If you are planning something in the future, call Chelsea or Anita at 903-874-8288 and they can discuss a menu and we can schedule it before the calendar fills up.

If you are not receiving our weekly email about upcoming events at CCC then we need your email address. This is a great way for us to communicate with the membership and I want to make sure that everyone is receiving the information weekly. Send me your email to: cwofford@corsicanacc.com

The Board of Directors have approved a new Member Referral Program which begins June 1st - For every new golf member who joins the Club as a result from your referral, you will receive a \$200 credit on your statement. For every non-golf member who joins as a result of your referral, you will receive a \$100 credit on your statement. If your referral would like to visit the Club and "Be a member for the day", please call Chelsea and let her know.

Now is the time to let your friends and business contacts know about our wonderful Club!

The best clubs in the world are a warm welcoming place where you are surrounded by people you care about and truly want to be with. In short, "You want to be where everybody knows your name". In today's mad always-on-the-go world it is difficult for members to maintain that connection with each other, for new members to easily assimilate and find members with similar interests and for the Club staff to maintain the personal connection and rapport with members. Our Club is a special place where we want you to be treated like "Family". When you meet a new member, please welcome them and invite them to have dinner or play a round of golf.

Please contact me directly at the Club if there is anything I can do for you!
